Known Source Fecal Sample Update

- Decent progress thus far
  - about 1/3 of planned samples collected
    - Have samples processed from:
      - feral hog, goat, coyote, horse, cow, wastewater
- If you know of good opportunities for sample collection; please let Dr. McBroom or Mr. Castilaw know
  - Hog hunting contest, group hunts, etc.
- If you want to collect on your own, please use the protocol provided in your packet
Next Steps

- Next Meeting: June
  - Tentative topics for next meeting
    - Recreational Use Attainability Analysis Update
    - Detailed Monitoring Update
    - Load Duration Curves
    - SELECT Model
